Welcome to the Lloyd's Register List of Approved Manufacturers.

### PALESCANDOLO SpA

Lloyd's Register (LR) is one of the world's foremost ship classification societies.

We are a leading independent technical inspection, certification and advisory organisation, operating worldwide in the marine, offshore and industrial sectors.

We aim to provide risk management solutions to enhance our clients' quality, safety, environmental and business performance.

As one of our Approved Manufacturers of Materials your firm contributes a key role to the success of our reputation for quality.

Your approval enables you to produce material intended for the construction or repair of ships, other marine structures and associated machinery which are classed or certified by Lloyd's Register and applies only to those materials shown on your approval certificate.

The approval is conditional upon you complying with the requirements of the Lloyd's Register Rules for Materials, and your attention is drawn to Chapter 1 (copy attached).

Please note our representatives should be allowed access to all relevant parts of the works and are to be provided with the necessary facilities and information to enable them to verify the manufacture is being carried out in accordance with the approved procedure.

LR's Approved Lists are now published on the Internet at <http://www.cdlive.lr.org> (click on Approval Lists and then Approved Manufacturers).

Working together for a safer world

Lloyd's Register EMEA (Reg. no. 29592 R) is an Industrial and Provident Society registered in England and Wales.  
Registered office: 71 Fenchurch Street, London, EC3M 4BS, UK. A subsidiary of Lloyd's Register Group Limited.

Listings are updated on a monthly basis and you will note that your firm's entry will also contain contact details, the email and web links being active to give potential clients quick access to you. For this reason it is recommended that the details relate to your commercial department. If any of these are incorrect please contact your local LR office or email direct to [materials@lr.org](mailto:materials@lr.org) .

We believe that your relationship with LR will prove a valuable promotion resource for your company and we look forward to a long and mutually beneficial partnership in the future.

Yours faithfully,
